Greetings,

I am a co-author of [Reshuffled- Real Stories of Hope and Resilience From Foster Care](#), a book aimed at inspiring youth in foster and kinship care. My writing partner and I also volunteer as court-appointed special advocates (CASA) for neglected and abused children. We have donated the rights of our book to our organization, [Colonial CASA](#), so our goal in reaching out to you now is simply to get these books into the hands of the children who may benefit from reading the inspiring stories.

We would be keenly interested in discussing opportunities for distribution with you. We are developing strategies with Virginia organizations such as the [Success Foundation](#) and the [Tidewater Friends of Foster Care](#), but are eager to get a broader reach with your organization. Would someone from your organization be available for a phone or virtual discussion?

Thank you for your consideration. Truly,
Tracy Gharbo

Hi Tracy,

Thank you for reaching out to Empty Frames Initiative. Miriam will be back online in a few weeks, as you probably saw from her automated reply, but I wanted to respond to you personally and will let her know of your interest & proposal.

By the way, how did you hear about Empty Frames? Look forward to talking with you soon,
Crystal Cobb

Hi Tracy,

Wed, Sep 8, 2021 at 1:34 PM

Thank you for reaching out! I'm so sorry for the delayed response - Crystal did let me know you had sent this email, I just got behind on replying after getting back from sabbatical.

I'm excited to read your book! I just ordered a copy. I'd love to set up a time to talk with you and hear more about your vision for it moving forward. I'm going to the CAFO conference this upcoming week (so great that you found us through their website). I could do a phone or Zoom call most days during the last week of this month (September 27th - October 1st). I prefer to schedule calls for after 1pm if possible, but it could be earlier if needed!

Thank you again, excited to talk soon! Miriam

Hello, Miriam!

I'm delighted you are going to read the book! Based on Empty Frames Initiative's goals and backstory, I think there are a couple of essays in the book you will find of particular interest. I have recently spoken to others who will be attending the CAFO conference. I hope you have a wonderful experience there. I am still interested in setting up a call or Zoom meeting for late September. I am typically available after 2 pm Monday through Thursday or anytime on Fridays. Would a 2:30 pm call on Tuesday, September 28th work for you? If not, please feel free to suggest another time.

I look forward to speaking with you and hearing about the conference, your organization, and your thoughts on Reshuffled!

truly,
